as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

(c) If the employee retires or resigns or if his or her employment or period of active duty ends before collection of the debt is completed, under 5 U.S.C. 5514, salary offset shall be from subsequent payments of any nature (e.g., final salary payment, lump-sum leave, etc.) due the employee from the paying agency as of the date of separation to the extent necessary to liquidate the debt.

(d) If the debt cannot be liquidated by salary offset from any final payment due the former employee as of the date of separation, under 5 U.S.C. 5514, administrative offset shall be from later payments of any kind due the former employee from the United States.

§ 20.85 Notice of offset.

Prior to effecting a salary offset, the paying DOL agency should advise the debtor of the impending offset. This notice should state that the debtor has been provided his/her rights under 5 U.S.C. 5514, that a determination has been made that collection by salary offset would be in the best interests of the United States, the amount of the offset, the date the salary offset will begin, and that the source of funds shall be from current disposable pay, except as provided by (c) and (d) of § 20.84. If evidence suggests that the debtor is no longer located at the address of record, reasonable action shall be taken to obtain a current address.

§ 20.86 Non-waiver of rights by payments.

An employee's involuntary payment, of all or any portion of a debt being collected under 5 U.S.C. 5514, shall not be construed as a waiver of any rights which the employee may have under 5 U.S.C. 5514 or any other provision of contract or law, unless there are statutory or contractual provisions to the contrary.

§ 20.87 Refunds.

(a) Agencies shall promptly refund to the appropriate party amounts paid or deducted under this subpart when—

(b) Refunds do not bear interest unless required or permitted by law or contract.

§ 20.88 Additional administrative collection action.

Nothing contained in this subpart is intended to preclude the utilization of any other administrative remedy which may be available.

§ 20.89 Prior provision of rights with respect to debt.

To the extent that the rights of the debtor in relation to the same debt have been previously provided by the creditor agency under some other statutory or regulatory authority, the creditor agency is not required to duplicate those efforts before taking salary offset.

§ 20.90 Responsibilities of the Chief Financial Officer.

The Chief Financial Officer, or his or her designee, shall provide appropriate and binding written or other guidance to Department of Labor agencies and officials in carrying out this subpart, including the issuance of guidelines and instructions, which he or she may deem appropriate. § 20.101 Purpose and scope.

The regulations apply to past-due legally enforceable debts owed to the Department by individuals and business entities. § 20.102 Redelegation of authority.

Authority delegated by statute or IRS regulation to the Secretary or Department is redelegated to the heads of the Department's constituent agencies. This authority may be further redelegated as necessary to ensure the efficient implementation of these regulations.

§ 20.104 Agency responsibilities.

(a) As authorized and required by law, each Department of Labor agency may refer past-due legally enforceable debts to IRS for collection by offset from any overpayment of income tax

that may otherwise be due to be refunded to the taxpayer.

(b) Prior to actual referral of a past-due legally enforceable debt for tax refund offset, the DOL agency heads (or their designees) must take the actions specified in § 20.107 and, as appropriate, § 20.106 and § 20.108.

§ 20.106 Relation to other collection efforts.

(a) Tax refund offset is intended to be an administrative collection remedy of last resort, consistent with IRS requirements for participation in the program, and the costs and benefits of pursuing alternative remedies when the tax refund offset program is readily available. To the extent practical, the requirements of the program will be met by merging IRS requirements into the Department's overall requirements for delinquent debt collection.

(b) The debts of individuals of \$100 or more will be reported to a consumer credit reporting agency before referral for tax refund offset.

(c) Debts owed by individuals will be screened for salary and administrative offset potential using the most current information reasonably available to the Department, and will not be referred for tax refund offset where such other offset potential is found to exist.
